

### Chronological approach to teaching the whole Bible, 3 pgs

*READING PROGRAM: read through the books of historical movement in chronological order (one Gospel > Mark, or a harmony). Look for the spiritual story embedded in the framework of Biblical history. Bear in mind that some books contain sections in that are not chronologically arranged.*

The Flow of Biblical History – *There are Chronological Bibles as well as reading and audio plans, <http://www.esv.org/biblereadingplans>*

The books of Historical Movement	Other Books Written During the Period
Genesis	Job, Psalms
Exodus	Leviticus, Psalms
Numbers	Deuteronomy, Psalms
Joshua	Psalms
Judges	Ruth, Psalms
1 & 2 Samuel	Psalms
<i>1 &amp; 2 Ki. There is a Harmony of Sam, Ki, &amp; Chron</i>	Prov, Ecc, Song, 1 & 2 Chron, Isa, Hos, Joel, Amos, Ob, Jon, Mic, Nah, Hab, Zeph, Ps
Daniel	Jeremiah, Lamentations, Ezekiel

**Recommended:** [Ee-Taow part 1 & 2](#), **The Mouk Story** (24 minutes) The Mouk tribe of Papua New Guinea respond dramatically to the Gospel. You'll follow their story from murderous sorcery and deceit, to a life-changing understanding of what God has done for them. This is a powerful story of God's Word, presented clearly and chronologically in their own language, breaking through the darkness that held the Mouks in bondage.

**The Next Chapter** (33 minutes) NTM [\[renamed Ethnos 360\]](#) missionary, Mark Zook, didn't go all the way from Pennsylvania to Papua New Guinea to share the Gospel in one village. He went to plant a church, and to help that church take God's Word to other Mouk villages and surrounding tribes. You'll witness what happens when people awakened to God's love for the first time in their history take advantage of the opportunity to share His love with others.

**Building on Firm Foundations** - Volume 1: Guidelines for Evangelism and Teaching Believers, 2018 by [Trevor McIlwain](#). God has progressively revealed Himself within the context and framework of history. Experience has shown that **the best way to teach Truth in any culture is within the chronological and historical framework of the Scriptures**. Trevor McIlwain describes the principles he learned teaching the Bible chronologically and shares many examples of others who have done the same. *Because my mind was captivated by traditional Bible teaching methods, it took me along time to*

realize that *Firm Foundations for saving faith were best laid down by teaching a chronological overview of the Bible story, beginning in Genesis and concluding with the ascension of Christ. Through this chronological teaching, many sincere tribal people who had previously professed Christianity, came to realize that they had misunderstood the missionaries' who taught them previously according to the categorical/theological way they were trained.*

**The Unfolding Drama of Redemption**, by W. Graham Scroggie, 1995, traces the theme of redemption through each book of the Bible with careful scholarship and a thorough analysis of the Bible's content and history.

**The Big Picture Story Bible** (Redesign) by David R. Helm and Gail Schoonmaker, 2014, written especially for children ages 2–7, recounts the unified story that runs through both the Old and New Testaments. Simply written and beautifully illustrated, this book teaches children the Bible's overarching message so they can begin to appreciate the scope and fulfillment of God's promises to his people.

**God's Big Picture** by Vaughan Roberts, 2002, traces the story of the whole Bible from Genesis to Revelation to see how it all fits together. It provides a road-map for making sense of the Bible in its entirety by giving you the big picture, showing how the different parts of the Bible fit together under the theme of the kingdom of God.
